

# Republicans Find Nary An Ounce Of Nation's Gold Missing

WASHINGTON (AP)—An unprecedented check of the nation's gold and silver and coin has ended and, a Treasury official said today, "everything is there."

That was a short report from Leland Howard, assistant director of the Mint, on a big subject: nearly \$23 billion worth of gold at Ft. Knox, Ky., and elsewhere, plus \$2 billion worth of silver bullion and about \$301 million worth of coin not in circulation.

One "shortage" did turn up during an audit of the books of the former treasurer of the United States, a lady Democrat.

Don't look for a congressional investigation though.

The missing sum was only \$10, the government got it back, and the rest of the \$32,410,260,786.10 plus two-thirds of a cent is right where the former treasurer, Mrs. Georgia Neese Clark Gray, said it would be.

So the Treasury is sending Mrs. Gray a receipt from her successor, Republican Mrs. Ivy Baker Priest, and everybody is happy.

All this checkup was inspired by the recent change in administrations.

A committee appointed jointly by former Secretary of the Treasury John W. Snyder and new GOP Secretary Humphrey looked into accounting and guarding methods and found they included "every feasible safeguard." But it suggested that a new committee make spot checks of gold and silver and coin.

Asked today whether the check had been completed and, if so, if anything had been found missing, Howard declared:

"No, sir. Everything is there. The official report is being prepared and won't be out for some time, but it will show everything is where it should be."

Howard is a Kentuckian who for many years, as assistant Mint director, has been in direct charge of the nation's growing horde of precious metals.

In its quest for any discrepancies between the amount the government carries on its books and what it actually has, the investigating committee of businessmen and government officials:

1. Counted the bars in about 10 per cent of all storage vaults. These are at mints in Philadelphia, Denver and San Francisco; assay offices in New York and Seattle and the U. S. Bullion Depository in Ft. Knox, Ky. About half the nation's gold is in Ft. Knox.
2. Weighed about 10 per cent of the gold bars counted.
3. Assayed a "moderate number" of the gold bars, to make sure they have the proper gold content. Each gold bar is worth about \$14,000.

The committee decided against a spot check of silver held under seal because it is "so bulky as to discourage theft."

And what about that \$10?

Mrs. Gray herself disclosed the "shortage." She said it was discovered during a separate audit of currency and securities, mostly foreign, which were in her custody.

The \$10 discrepancy, she said, turned up in the currency redemption division. Nobody knows just how it happened. Apparently somebody forgot to report the replacing of a beatup old \$10 bill by a new one or something.

Anyway, the chief of the division, J. T. Baczenas, promptly shelled out \$10 from his own pocket, Mrs. Gray said, and she sent him a check for the same amount.

Now about that two-thirds of a cent at the end of Mrs. Gray's cash-and-securities-on-hand total:

It's an odd amount based on the alleged value of some old state bonds in the treasurer's possession, Mrs. Gray said, and personally she wouldn't give you two-thirds of a cent for the lot of them.

"I wanted to write them off, as we'd do in the banking business," she said, "but I never could get Congress to do anything about it."

## Atomic Test Gives Lessons To Both Civilians, Soldiers

LAS VEGAS, Nev. (AP)—On friendly practice field of the Atomic Energy Commission, American civilian and soldier alike may have learned new lessons to wrest victory out of atomic war.

These are the pointers indicated by Tuesday's double-barreled nuclear test:

For civilian—

1. In a car, "I would stay in it, open the windows and crouch down as far as possible on the seat or the floor," said J. Slayton Jenner of the Federal Civil Defense Administration.
2. In a house, try a basement-type bomb shelter, but make sure you have a solid concrete wall.
3. If caught in the open, lie flat on the ground if no good shelter is available.

For soldier—

1. Crouch in a foxhole or lie flat. Army officers think now that the dug-in soldiers could have remained above ground, lying prone, at their two-mile distance from the blast tower.
2. Watch the wind and stay behind it. The breeze after the detonation at 300 feet swept the radioactive column and cloud eastward across the flat, where it hung threateningly for hours. But troops were able to march north through the vicinity of ground zero.
3. The bomb can be a friend if instructions are followed. Like their predecessors in atomic maneuvers, the 1,000 foot soldiers and 500 observers found little to fear in foxholes.

Most said it wasn't as bad as they expected. Elton Fay, Associated Press military affairs reporter, found himself most impressed by "the unearthly white light" as he crouched face down in a five-foot trench.

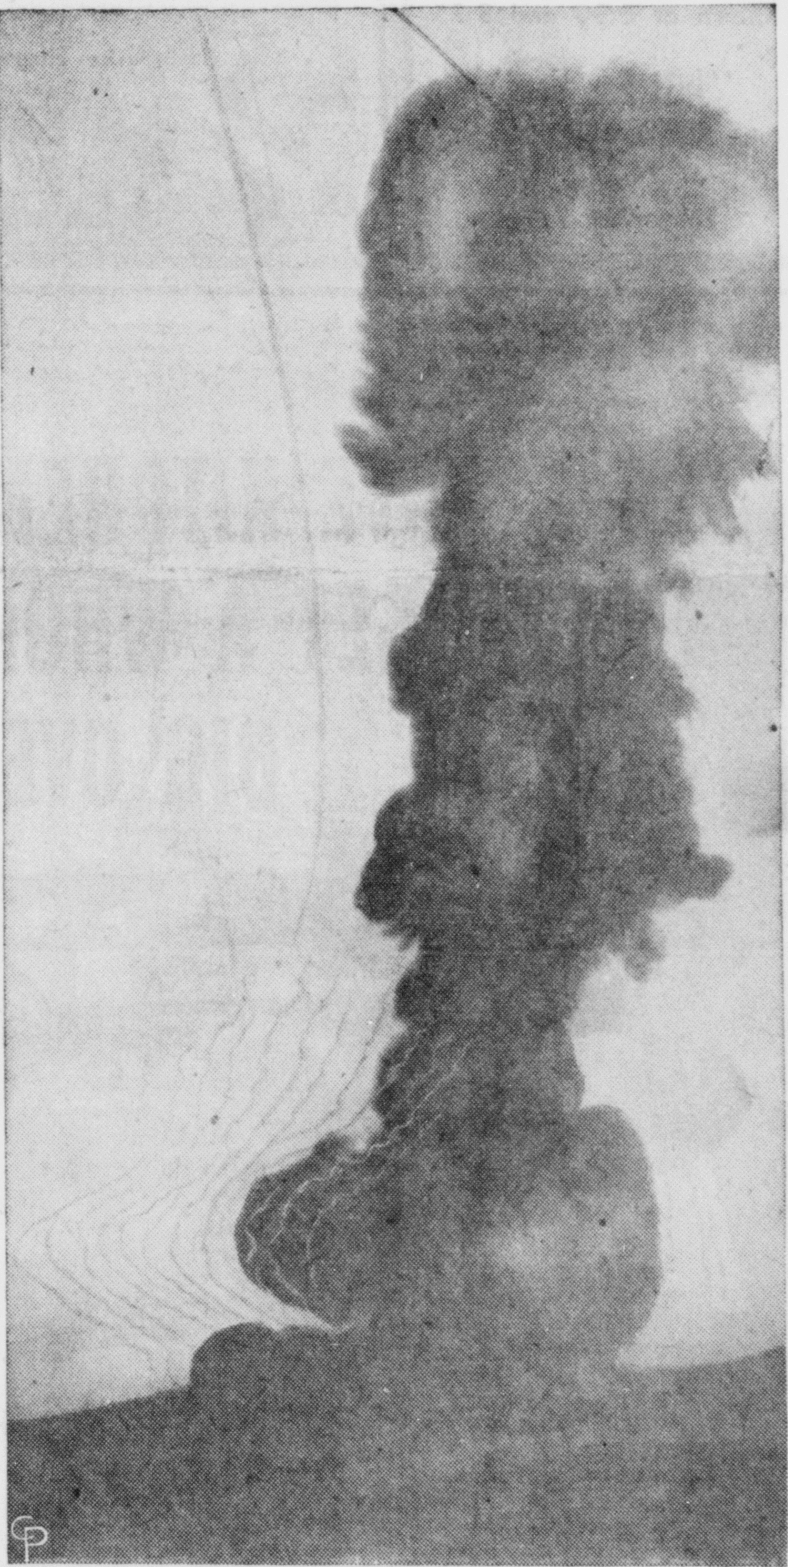

4. Earth shock can be as potent a weapon as blast in a low-level explosion, Fay concluded. The prolonged shuddering of the desert, Fay and other observers believe, contributed greatly to the quick collapse of the first civil defense test house, 3,500 feet away.

For the scientist, the first atomic test of 1953 brought reaffirmation that—

1. Smaller bombs can pack a real wallop. The device, packing the explosive power of 15,000 tons of TNT and only three-quarters the strength of the Nagasaki or normal A-bomb, made itself heard or felt in a number of communities including Las Vegas, 75 miles away, Medford, Ore., about 600 miles distant, and Los Angeles, nearly 300 miles away.
2. The U. S. civilian and soldier are growing up to the atomic age. Reporters covering the AEC and FCDA events of the last three years sensed increasing awareness of the importance of survival measures. The AEC scientists found an eager audience in civil defense workers.

Civil Defense Administrator Val Peterson, one of the front-line observers, indicated he will line observers, indicated he will seek a considerable boost in the civil defense budget.

Budget deficiencies, FCDA said,

HURLING ITS destructive force against a make-believe U. S. community named Doom Town, on Yucca Flat, Nevada, an atomic device equal to 15,000 tons of T. N. T. is set off atop a 300-foot tower. A dark cloud swirls angrily above the desert test grounds and rocket streamers (left), set off as measuring devices for witnessing scientists, are bent by the intense heat.

## Meanderings

By Wash Fayette

This year promises to be the greatest travel year in history, but without an appreciable upturn in spending.

This forecast has been made by the National Touring Board of the American Automobile Association.

It is estimated that more than 75,000,000 people will "take a vacation" this year and of these an estimated 66,000,000 will travel by automobile. The others will go by train, bus, etc.

More travelers will be budget conscious than in the past.

The AAA has received an increasing number of complaints concerning hotels and motor courts, particularly in the south, in raising rates substantially above those published in advance.

"The average motorist cannot afford continually to meet the pyramiding price of vacationing exacted in some regions," the AAA announces.

It is expected that the increased number of travelers will be noted in Washington C. H., hub of several trunk highways, and this means the traffic hazards will be increased here during the peak of the tourist season.

## Ohio House May Vote Again On Auto Inspection Setup

COLUMBUS (AP)—The Ohio House of Representatives has plastered a defeat sticker on a bill to require annual safety inspections of motor vehicles. It is the first bill defeated in the 100th General Assembly, but the defeat may not stick.

Republican leaders say a reconsideration of the defeat by the House Tuesday of the auto inspection bill may be asked Thursday. The measure needed 69 votes for House approval it got only 68 yes votes to 59 no.

The reconsideration, which has to arise from the faction which opposed the bill, must come within two days. A Republican who opposed the bill is reported ready now to support it.

The Republicans could have obtained the needed 69th vote Tuesday if House Speaker William Saxbe (R-Champaign) had cast the vote to which he is entitled, but in view of the governor's veto two years ago of a similar measure, he decided the one-vote edge would

## Union Stockyards Open

### Hogs from Here Held in Chicago

State Veterinarians Check for Disease

It was "business as usual" at the Union Stockyards here Wednesday afternoon, despite "some inconvenience" in the morning while the yards were closed for an inspection and disinfecting by one federal and three state veterinarians, Dr. James McCoy, Washington C. H. veterinarian, was there also.

The yards were closed before any stock was unloaded while a check was being made on a shipment of Ohio hogs that showed signs of vesicular exanthema when they arrived in Chicago by truck Monday.

The yards were open and operating normally by noon, the day of the regular weekly auction sales. There was nothing on the surface to indicate there had been any suspicion of vesicular exanthema among hogs shipped from here.

C. R. PHILHOWER, the manager of the Union Stockyards, said the action taken by the federal and state veterinarians in closing the yards had caused some inconvenience, but that because of the rain the arrival of stock was later than usual Wednesday.

He declared the Union Stockyards officials welcomed the measures taken by the authorities as a safeguard although, he pointed out, that it has not yet been definitely determined that the hogs held in Chicago have vesicular exanthema. It was said it takes around 96 hours to make positive diagnosis of VE disease.

The truck load of hogs under observation in Chicago left Washington C. H. Sunday. It is understood there were 87 hogs in the load and that they all are boars, which could mean they came from as many as 87 different farms.

Philhower said the hogs had been accumulated at the Union Stockyards by an independent buyer and merely shipped from here. He added that only 12 of the lot were from the Union Stockyards and from the rest of them had come in from Wilmington, Chillicothe, Hillsboro and Lynchburg; presumably they were bought at the livestock auctions held in those places and brought here for shipment.

### U. S. Sends Reds Another Protest

WASHINGTON (AP)—THE United States today demanded that Russia discipline the Soviet jet fighter who attacked a U. S. weather reconnaissance plane last Sunday 25 miles off Kamchatka.

The State Department announced a protest has been delivered to the Moscow Foreign Office by the American Embassy.

The note asks "measures to prevent a repetition of such an attack and 'disciplinary action' against those responsible for Sunday's incident."

The Air Force announced Tuesday that the American B50 bomber, flying out of Alaska, was trailed by two Soviet Mig-15s and that one Russian plane opened fire on it. The B50 returned fire and the Soviet plane did not press the attack. The exchange apparently did no damage to either plane.

THE STATE Department announced the substance of the protest, but the text of the note was not made public for the time being.

The department's announcement said:

"The American Embassy at Moscow this morning on instructions from the State Department lodged a vigorous protest with the Soviet Foreign Office against the attack by Mig fighters upon a U. S. Air Force RB50 in the Bering Sea on March 15."

"The note sets forth the position of the U. S. plane when attacked (about 100 miles northeast of Petropavlovsk and at least 25 miles from the nearest Soviet territory), vigorously protests the action of the Soviet aircraft."

"... It states that the government of the United States expects to be informed at an early date of the disciplinary action taken with regard to the Soviet personnel responsible for the attack, and asks for information concerning measures adopted by Soviet authorities to prevent a recurrence of incidents of this kind."

It has been made clear here that

### Tito Sees Jet Planes Collide

DUXFORD, England (AP)—Two British jet fighters collided today before the horrified gaze of President Marshal Tito, killing both pilots.

Then the shaken Yugoslav leader, for the first time, saw and heard another jet crash the sound barrier.

Britain trotted out its hottest military aircraft for inspection by Tito, who is anxious to get similar planes for the Yugoslav air force.

The collision occurred during tight formation flying by Meteors. Twenty-four jets in all were involved. As four of the Meteors were changing position one ran into the tail of another. The wreckage fell six miles away from this Royal Air Force airfield in Cambridgeshire.

When the Meteors returned to land, Tito saluted the planes in tribute to the dead pilots.

THE ACCIDENT wiped the marshal's usual wide smile from his face. He leaped up in horror as the planes came together. Later he was pale and disturbed as he entered the officers' mess for a luncheon.

It was the second incident of its kind Tito has witnessed since he left his homeland to pay an official visit to Britain. Six days ago, while he was en route here, three British naval aircraft crashed off Gibraltar. Four men were listed as missing and presumed dead.

A RAF officer said that before the flying began Tito twice had asked to cancel the display because of the weather.

## UN Delegates Ask Soviet Demonstration

Disarmament Question Is Chance To Prove Stand, U. S. Declares

UNITED NATIONS, N. Y. (AP)—The United States challenged Russia today to demonstrate in the current UN disarmament debate that Prime Minister Georgi M. Malenkov sincerely wants to settle world problems peacefully.

The challenge was made by U. S. Delegate Ernest A. Gross, who led off the disarmament discussions in the General Assembly's 60-nation political committee.

As he spoke, Soviet Delegate Georgi N. Zarubin listened intently.

At the outset, Gross said Soviet leaders have talked much about peace in the last few days. He added:

"I hope Prime Minister Malenkov's use of the word 'peace' is the same as the word is understood by the rest of the world."

At any rate, he said, if the Russians are sincere one of the first places they can show it is on the question of disarmament. He called on them for some indication that they are now ready to negotiate in good faith.

GROSS PUT TWO questions to Zarubin:

1. Is this the time when the Soviet government is willing to discuss constructively the question of disarmament?
2. Is this the forum where the Soviet representative will negotiate with his colleagues on the question?

He said he was not demanding a quick answer.

Gross then reviewed briefly the disarmament proposals put forward last year by the Western powers and those offered by Russia.

He warned that the United States would never agree to the flat one-third reduction of arms demand by Russia and would not agree to any disarmament until a system of verification and inspection was set up.

Meanwhile, the Russians reportedly are going to stall off any decision on a new UN secretary general until Andrei Y. Vishinsky returns March 26 from his Moscow conferences with the new Malenkov regime.

Informed sources said the Kremlin has ordered its delegate Valerian A. Zorin to make no commitments in Security Council negotiations with the West for a successor to Trygve Lie until Vishinsky arrives.

The 11-five permanent members of the Security Council—Russia, the U. S., Britain, France and Nationalist China—were scheduled to huddle behind locked doors today in an effort to end the East-West deadlock over Lie's successor.

## Reconciliation Try Ends In Tragedy

NEWARK (AP)—An attempted reconciliation by a 53-year-old man with his former wife ended in tragedy Tuesday as the Newark resident shot at the divorcee and then killed himself.

Police said Audie Cunningham tried to make up with Sylvia Cunningham, 52, who obtained a divorce Friday. Unsuccessful, he fired a pistol at her but missed. Thinking his bullets killed her, Cunningham placed the gun in his mouth and fired.

## B50 Commander Tells Of Attack

FAIRBANKS, Alaska (AP)—The commander of a U. S. Air Force plane said Tuesday he ordered the chief gunner to "fire back" when his B50 bomber was attacked by a Russian-type Mig-15 high off the coast of Siberia Sunday.

Lt. Col. Robert S. Rich, 35, said he tried to escape the attacker with a 390 mile per hour dive into a cloud bank and fired only after the Mig had opened up.

The attack occurred as the U. S. plane, on a routine weather flight, cruised north 25 miles out to sea from the Siberian coast. The Air Force said apparently neither craft was damaged in the third such sky encounter between planes of the East and West in a week.

It was the first incident reported by the Air Force in which an Alaska-based plane had actually been fired on by Red aircraft.

The B50, on temporary duty with the 15th Weather Reconnaissance Squadron at Eielson Air Force Base from Forbes Field, Topeka, Kan., was approximately 100 miles east and slightly north of the huge Russian military base at Petropavlovsk on the Kamchatka peninsula.

RICH GAVE THIS account of the skirmish:

The B50 had flown from Eielson over the Aleutian Islands to a point off Kamchatka and had been flying north about 25 miles off the Siberian coast for 30 to 40 minutes when the vapor trails of two planes were sighted 10 miles coastward from the U. S. plane.

He said vesicular exanthema can reach shipped hogs through improperly cleaned vehicles.

## First Rehearsal Of Cecilian Club Program Sunday

Comprehensive Plans  
Are Outlined for  
Sesqui Highlight

The first rehearsal for the general program to be featured by the Cecilian Club as one of the outstanding events of the Sesqui-centennial celebration here is to be held at the Farm Bureau auditorium Sunday at 3 P. M.

An extraordinary effort is being made by the Cecilian group to have as many parts of Fayette County as possible represented in the presentation of this musical event.

One of the features will be a County Chorus made up of members of the Cecilian Chorus, Farm Bureau Women's Chorus, and County Church Choirs under the direction of William B. Clift. Accompanists will be Mrs. Marian Gage and Miss Marian Christopher.

Another feature will be presentation of folk dances and square dances under the direction of Mrs. Ellen Pensyl and Mrs. Mary Jeanne Schwaigert. It was said there will be a number of participants of each county high school.

**OTHER EVENTS** on the program so far planned will be the appearance of the WHS Choir under the direction of William Bowman and a group of songs by The Vets, a quartet of young colored men.

Audience participation and the singing of songs, among which will be familiar old songs of Ohio and folk music, is to be another feature.

April 15 has been set aside for this Cecilian program which is expected to attract wide interest.

Mrs. Ada Paul is chairman of the group making all the plans. Miss Edith Gardner is writing a 3-minute history of the club which will be read during the program.

It is regarded as of special significance that the Cecilian Club is taking a leading part in this Sesqui-centennial celebration since it is reported to be the oldest music club in Ohio, having been organized in 1888. It's only living charter member is Miss Edith Gardner.

## Weight-Distance Tax Favored by Council

Concord Council No. 1, meeting at the home of Mr. and Mrs. Robert Case for a covered dish supper Tuesday evening, used the March issue of the Advisory Council Guide, entitled "Lawmakers in the Spotlight," for their discussion material.

The council passed a resolution in favor of the weight-distance tax for the large commercial trucks which use the highways. A copy of the resolutions will be sent to the representative and senator representing Fayette County and the senatorial district in the state Legislature.

The council pointed out that the state and county resolutions of the Farm Bureau should be carefully studied in forming policies for legislative action. Members were urged to keep posted on the progress of the important bills which are now coming up for hearing in the state legislature.

The council heard reports on a legislative meeting recently held for the purpose of discussing the

needs of appropriations in the state legislature for an Agricultural Center on the campus of Ohio State University and additional money for Agricultural Extension.

The next meeting of the council is to be held on Tuesday, April 28, at the home of Mr. and Mrs. Sam Marting.

## Mainly About People

After being a surgical patient in Memorial Hospital, Charles Hart was released Tuesday afternoon to his home on Route 3.

H. F. Schlue, 929 Millwood Avenue, was dismissed from Memorial Hospital, Tuesday afternoon. He had been a surgical patient.

Earl Wood has returned to his home, 1045 1/2 East Elm Street, after being a patient in University Hospital, Columbus. He is recovering from throat surgery.

Carolyn Harrison, seven-year-old daughter of Mr. and Mrs. Paul Harrison, 801 John Street, entered Children's Hospital, Columbus, Tuesday, for observation and treatment.

Mrs. Frank Daines was returned from University Hospital, Columbus, to her home in Jeffersonville, Tuesday. She had been a patient for observation and treatment for the past week.

Gerald Eugene Thompson, son of Mr. and Mrs. Virgil Thompson, Route 2, has enlisted in the Marines and left Friday for San Diego, California, where he will receive his basic training.

John Spurluck was taken from his home on the CCC highway, west, to Memorial Hospital Tuesday evening in the Hook and Son ambulance. He is being treated for a broken leg suffered in a fall at his home.

Mrs. Maud Forman was released from Memorial Hospital, Tuesday afternoon, and returned to her home, 221 North Hinde Street, in the Gerstner ambulance. Mrs. Forman was a patient for medical treatment for the past several weeks.

## 3 Lions Clubs In Meeting Here

Chaplain at BIS  
Principal Speaker

Members of the Bloomingburg, Jeffersonville and Washington C. H. Lions clubs gathered at the Country Club here Tuesday evening for dinner and a program at the annual combined meeting of the three clubs in Fayette County.

The Bloomingburg club was represented by 42 members, the Jeffersonville club by seven and the host club by 75. There were no guests.

A different club is host for the tri-club meeting each year. Next year, the meeting will be at Jeffersonville; last year it was at Bloomingburg.

While the evening was marked by an atmosphere of fun and good fellowship, it was not without its serious note.

Rev. Charles L. Harrison, the Protestant chaplain at the Boys Industrial School in Lancaster and the principal speaker on the after-dinner program, called for a rededication of the American home and made an appeal for parents to spend more time with their families.

He urged parents to take the time to form a companionship with their sons and daughters.

HE HAD NO complaint against clubs and lodges when taken in moderation, but suggested that the greatest prestige in a community could be achieved through good parenthood.

Rev. Harrison spoke for a little more than half an hour, but only the last 15 minutes were devoted to what could be entitled "Humanity's Zero Hour"; the early part of his talk relaxed the Lions as he told one humorous story after another.

When he leveled off on the serious subject, however, Rev. Harrison took a rather dim view of the future for the world unless there is a shift in attitudes toward more sympathetic consideration and understanding of fellow men.

He said the young men in the Boys Industrial School, for the most part, were confused and immature in their thinking and seem to have a feeling that the world is against them. Many of them, he continued, come from broken homes and take for granted that they are social outcasts. Many of them, he added, resent interference in their lives, even from those seeking to help them.

REV. HARRISON said the BIS at Lancaster, with its 800 boys, is

the largest institution of its kind in the country. He also said there are 52 children's homes in Ohio and commented that no other state has more than 10. He did not draw any conclusions, however, leaving that to the assembled Lions.

He pointed out that the spirit of Lionism is a help for those appealing to the better side of these boys' nature. He described many of them as "our own failures" because of "our failures in human relationships."

He cited the need for Christian faith in exerting a helpful influence on others.

Referring to what he called a "world revolution," Rev. Harrison said the key to a solution to this attitude is better understanding and better human relations.

Robert Sanderson, president of the Washington C. H. Lions club, presided over the meeting.

TAILTWISTERS of the Washington C. H. and Bloomingburg clubs, H. H. Denton and Wilbur Snapp were the busiest men in the room. They called on all of the Lions sprouting beards for the Sesqui to get together for a bit of close harmony. The song was "Let Me Call You Sweetheart," which the Taitwisters said was dedicated to the wives of the bearded men.

R. Burris Sharp, the chairman of the committee to make arrangements for conventions, announced that the sub-district convention would be held in Dayton April 19, the state convention in Columbus on May 8, 9 and 10, and the national convention in Chicago in June.

Sanderson presented the president of the Bloomingburg club, G. H. Biddle, and the president of the Jeffersonville club, Eldon Long.

Robert Minshall, the program chairman for the year for the Washington C. H. club, reminded that the Father, Son and Daughter banquet of the club would be held March 31, the date of the club's next regular meeting. Jim Chakares and Dr. Charles Piersick are heading up the arrangements for this annual event.

# Minister Tells Of Experiences While In China

Rotarians Hear  
Interesting Talk  
From Rev. Bliss Wiant

While St. Patrick's Day was observed with Irish songs, led by Bill Clift, and the exhibition of a new bright green tie proudly worn by President Marlyn Riley, the serious side of the Rotary program Tuesday at the Country Club, was given over to a very informative talk on China by Rev. Bliss Wiant, a Methodist minister of Delaware.

The speaker was formerly a professor at Yenching University in Peking, China and was forced out of the country not long after the Communists took over.

Rev. Mr. Wiant presented the Rotarians with an exceptionally interesting account of his experiences in China under the Communist government. He was a member of the Peking Rotary International and pointed out that the Chinese characters for Rotary Club read literally "Peking Service Wheel Club" which is a clear statement of Rotary principles.

**THE SPEAKER** kept his listeners intent as he recounted the propaganda devices used by the Chinese Communists to irritate and finally to expel the Americans from China. In two weeks, he said, hundreds of years of good will built up by American and Chinese relations were practically destroyed by the Communist propaganda. All schools were closed and for a two weeks half-truths and outright untruths were broadcast, taught and retaught to all students who then went out into the country and carried these stories about the imperialist Americans.

Rev. Mr. W. at took special care to point out that such things as racial discrimination, the laxity of Americans in voting at elections, rearming Japan (reportedly so that the Japanese could come back and rape China again), were statements which are hard to defend because some of them carry a real element of truth. In the hands of Chinese Communists such stories were the tools for completely impervious the American position.

The speaker went on to say that the Communists deliberately irritated American officials in the hope they would pull out of China. When they did, under orders from the U. S. State Department, the Communists moved into the vacuum and where the American Embassy stood, soon placards announced that this was now the headquarters of the Communist Party.

Rev. Mr. Wiant emphasized that he thought the Chiang Kai Shek America never would reach an understanding with China until the Mao Tse Tung Government is recognized as the actual government of China's 450 millions of people. He reinforced this position by pointing out that the American government is the only important world government which does not have representatives at Peking.

**PROFESSOR WIA**nt told of his experience in discovering a 300 year old bell, one of 16 bells used in the 500 years old annual ceremony of welcoming the spring.

In this ritual the emperor went to an altar 150 feet wide and to the tunes of bells and melodies gave the following prayer: "Spi-

its and men rejoice together, praising God the Lord. What I, what measure can there be while they celebrate His great Name. For ever he setteth fast the high heavens and shapeth the solid earth. His government is everlasting. His poor servant, I bow my forehead in the dust, bathed in His grace and glory." Mr. Wiant found this prayer in the archives and it is dated 1549.

The speaker concluded his talk by saying that he thought Rotary with its emphasis on service and Christians with their understanding of love, could redeem the times and bring about a real understanding with the Chinese nation if we would be willing to try. Love, he said, is only witnessed in service.

**DURING THE** pre-program session of the club, President Riley read a well written letter from Jon Pensyl, expressing appreciation for both himself and his companion, James Michael, for their Rotary sponsored trip to the World Affairs Institute at Cincinnati recently. A nice letter of thanks also was received from Jon's parents, Mr. and Mrs. Clark Pensyl in which they told the club how much this trip meant to the two boys.

Dewey Foster was the outgoing student guest on this occasion and his talk of appreciation was more extensive than most students gave but he injected some humor into his remarks and made quite a hit. James Hoffman was the new student guest introduced.

President Riley spoke briefly regarding the district conference of Rotary International held at Dayton last week. He said that several Washington Rotarians and their wives had attended and greatly enjoyed the high class programs offered.

## Coffee Prices Zooming Upward

**NEW YORK** (AP)—Wholesale coffee moved quickly today toward a new price basis as much as five cents higher than at the beginning of the month.

Behind the price hikes was the lifting of price controls on coffee last week and the immediate sharp spurts in coffee contracts. When controls were removed, roasters predicted retail price rises as high as seven cents a pound because consumption presently is outrunning production.

Among the latest firms to boost prices was General Foods Corp. It raised the wholesale price of Maxwell House three cents a pound. That followed an earlier boost of two cents a pound.

## Records Show This Appeal Deserves Help

A sheet of 1953 Easter Seals came to us in the mail the other day, and we got to thinking about them. We've been contributing to this annual drive to "help crippled children" for many years, but when the '53 seals came along we got to asking ourselves—just where did our money go?

First of all, about three-fourths of what we give stays here in Fayette County to help people who need aid. We learned that 35 cases in our home county were given much needed help last year.

Inquiry brought us a good bit of interesting information, and convinced us that The Ohio Society for Crippled Children, the Easter Seal agency in our state, is most certainly making each dollar do the work of two in its efforts to help the physically handicapped in our state. Not only children, but adults as well are assisted, and help is not restricted to any one kind of crippling disorder.

We read of accidents of all kinds in our daily papers—we're shocked—something must be done to stop this needless waste of limb and life—but not much is—and we cool off and even get indifferent—it didn't happen to us! But what of the person who faces a lifetime of physical handicap? This is a crushing price to pay all too often, for a few moments poor judgment—his own or that of another fellow being.

If we were to follow up the endless accidents reported daily, we would be appalled by the number of those who must

readjust their entire future because of a physical handicap incurred in an accident.

### Taft's Suggestion

On the subject of tax reduction, two views are expressed in Congress. One is that taxes should be cut at once, and Congress then trim its financial sails to fit its cloth. The other is that the budget should be balanced first, and tax reduction considered thereafter.

Senator Taft has proposed a "standby tax reduction law." Under this law, tax reduction would go into effect automatically once the budget was balanced. If Congress failed to cut spending sufficiently to achieve this, the law would be inoperative.

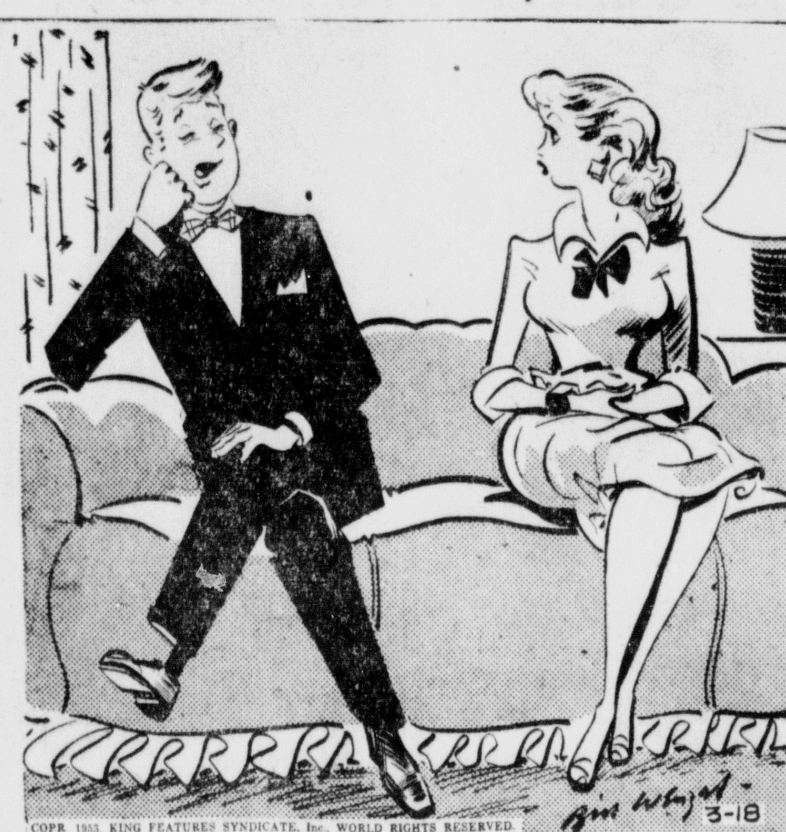

It is certainly true that if a law were on the books making tax reduction mandatory once appropriations were reduced to a certain level, the people would demand action. Senator Taft may have a practical answer to the problem.

### Front Or Rear

The horse was in front of the buggy, so why not the motor in the front of the horseless carriage? That's where it remained for more than half a century, without many people doubting that was the proper place.

Now automotive engineers are lining up, on opposing sides of the question, some favoring front-engines, some advocating rear-engines. Both groups offer sound arguments.

## Diet and Health Tests Being Made For Better Insulin

By HERMAN N. BUNDESEN

The conquest of diabetes is just one of the many wonders of modern medicine. Researchers are now busy developing new types of insulin requiring only a single injection a day instead of several a day.

At one time, a diabetic person was doomed to a short life, with complications such as gangrene of the legs, coma and susceptibility to infection.

With the discovery of insulin some years ago, many strides were made towards regulating the amount of sugar in the blood of the person with diabetes. Insulin is needed so that the body can use sugar.

### First Type

The so-called regular insulin was the first type discovered. Its action was extremely short, and several injections had to be taken daily if it was to work well in a severe case.

A newer insulin was then developed, known as protamine zinc insulin. This acted over a longer period, but it, too, failed in a certain number of cases.

Various combinations of protamine zinc insulin and regular insulin were also used for an improved effect, when needed. Another type of insulin, known as NPH insulin, was also developed recently.

### Search Went On

However, there remained some persons who could not be maintained on any of these preparations.

the search for a newer insulin went on.

For any diabetic person, it is desirable to cut down the number of injections to one a day. This required careful timing of the preparation used.

It was found that when insulin is combined with a small amount of zinc, it has a prolonged effect. With certain diabetics who had to take several injections daily of the older types of insulin, and who had extremely severe diabetes, this zinc insulin has proved almost miraculous.

### Still Experimental

The new treatment, though still in the experimental stages, was recently used on 65 patients with severe diabetes. All these persons had found other types of insulin unsatisfactory, but all did well on zinc insulin preparations given once a day.

Three different types of the zinc insulin were developed to take care of different types of diabetes that were hard to control. Another milestone in treating diabetes is in sight, with a better insulin for patients who have difficult diabetes, making less frequent injections necessary.

## Rubinstein Hit By Ruling Of High Court

WASHINGTON (AP)—The Supreme Court—without mentioning his name—apparently has dealt a fatal blow to the efforts of Serge Rubinstein, wealthy Russian-born financier, to stay off Ellis Island. Rubinstein has staved off being seized and taken to Ellis Island through a series of legal maneuvers since Dec. 30. The U. S. Court of Appeals here twice intervened to keep immigration inspectors from taking him into custody.

The high court in a decision Monday said, in effect, that a person who wants to fight a deportation order in the courts first must be taken into custody.

In legal language, the court ruled

being used to treat alcoholism, makes a person who drinks alcohol sick when he takes any alcoholic beverage. However, this drug can be dangerous and should be given only under the careful guidance of a physician. Usually the emotional problem causing the alcoholism has to be solved while the treatment is being given.

## What Is It To Be Irish?

NEW YORK (AP)—Tuesday was a great day for the Irish. What is it to be Irish?

On 364 days of the year being Irish isn't visibly different from being Scotch, French, Italian, Jewish, Serbian, Dutch, or—yes even English.

The Irishman pays his bills, complains against his taxes, does his work, and listens to his wife like the man of any other race. But on this one day of the year—Holy St. Patrick's Day—the Irishman becomes an Irishman.

And on this day you have to be Irish to know what it is to be Irish.

The outer signs, of course, can be seen by all. The Irishman overnight grows a foot taller and stalks the earth a giant. All traffic lights turn green before him, and if they don't he seizes red.

But this air of majesty is only token evidence of interior change. The men of other races who envy the Irishman his bearing on St. Patrick's Day would envy him far more if he could look inside the Irishman's soul.

What is it to be Irish? How can you put the wonder of it into words? If a psychiatrist stretched himself out on his own warm couch after his last customer had gone home, and he dreamed of the man he himself would most like to be—well, he might be perfect, but he'd still be only half an Irishman on St. Patrick's Day.

What is it to be Irish? It is to have an angel in your mouth, turning your prose to poetry. It is to have the gift of tongues, to know the language of all living things. Does an Irishman pause and turn an ear to a tree? It is because on this day he wants to hear what one sleepy bud says to another as it opens its pale green hands to the warm sun of spring.

What is it to be Irish? Oh, on this day it is music. Not just the cornet in the parading high school band, but the deep music of living, the low, sad rhythms of eternity. The Irishman hears the high song of the turning spheres, the dim lullaby

of the worm in its cocoon. All the world is in tune, and he is in step with the tune, the tune that only he can hear.

What is it to be Irish? It is to live the whole history of his race between a dawn and a dawn—the long wrongs, the bird-swift joys, the endless hurt of his ancestors since the morning of time in a forgotten forest, the knock-at-his-heart that is part of his religion.

What is it to be Irish? It isn't only the realization that he is descended from kings. It is the realization that he is a king himself, an empire on two feet striding in power, a strolling continent of awe.

What is it to be Irish? Why on St. Patrick's Day, to be Irish is to know more glory, adventure, magic, victory, exultation, gratitude and gladness than any other man can experience in a lifetime.

What is it to be Irish? It is to walk in complete mystic understanding with God for 24 wonderful hours.

By Hal Boyle

## World Psychological Warfare

In the present struggle for power among nations, the fact has to be recognized that such private negotiations as occurred at the Congress of Vienna (1815) or even at Yalta (1945) no longer are satisfactory. The recent Anglo-American negotiations in Washington were so secret as to lead to confusing rumors.

In all countries, except those behind the iron curtain, public opinion does express itself, often in the form of mass demonstrations. The weapon of psychological warfare therefore is cultivated and strengthened with the object of winning masses of the people to one side or the other.

The "Voice of America" is a device of psychological warfare. Its object is to win friends not among government officials but among the people in favor of the United States. Our hope is that most of the people will become antagonistic to Soviet Russia, Russian and Communist Party. It should further be designed to vitiate any tendency toward neutrality.

In the present investigation conducted by the McCarthy Committee, no attack is being made against the theory of psychological warfare. However, certain phases of this process have been selected to indicate that in the "Voice of America" there has been an area of activity which has been used against the interests of the United States. This does not mean that everything about the "Voice of America" is wrong or that such a device need be abandoned.

For instance, we might go back to the testimony of Virgil

H. Fulling, chief of the Latin-American News Service, who has been trying to do a thoroughly American job. He tells of a pro-American demonstration in Guatemala, which is now the Communist outpost on the American continent. Fulling wanted to give that demonstration an enthusiastic display over the "Voice of America." He wrote the term "anti-Communist" now, let us look at the colloquy on that subject:

Counsel Roy Cohn. "... Had anything been crossed out of the script?"

"Mr. Fulling. Yes sir, Where the term 'anti-Communist' had been used, that was crossed out."

"Mr. Cohn. Now, by what words was the term 'anti-Communist' replaced in each instance?"

"Mr. Fulling. In the first instance, where it was called 'anti-Communist organizations,' the term was replaced by 'citizens.'"

"Mr. Cohn. The word 'anti-Communist' was replaced by the word 'democratic.'"

Fulling was not permitted to use the term, "anti-Communist Guatemalans." If they were anti-Communists, why call them "citizens" or "democrats"? Why this was done is not explained clearly in the testimony. Fulling argued the point with his chief, Donald Taylor, who seemed to want to use a broader term—what means what?

What does the word, democracy, or democratic, mean in the United States, in New York or Mobile, in Guatemala or Prague? Everywhere it has a special meaning. The other day, I was talking to a man who insisted that "democratic" means "egalitarian"; that is, that all men are equal. Equal how—biologically, legally or in the sight of God?

## Ike Is Asked For Military Security Plan

WASHINGTON (AP)—Sen. Cooper (R-Ky) called on President Eisenhower today to lay before Congress a fully rounded program for U. S. military security even if it delays budget balancing.

And Sen. Lyndon B. Johnson of Texas, the Democratic leader, said Congress will support such a presidential military decision despite the feelings of members who "would trim our defense program to what they consider the needs of our budget rather than trimming our budget to the needs of the defense program."

Cooper said he fears Johnson was right in telling the Senate Monday that this country is unprepared for a total war into which it might be thrust "in a matter of hours."

The Kentucky senator said he will urge the Senate Armed Services Committee, of which he is a member, to broaden its scheduled investigation of the ammunition situation into a full-scale inquiry into supplies of planes, guns, ships and other equipment.

He said this could give Congress a clearer idea of what is needed to meet any possible Russian attack, but he added that the lawmakers must depend on the President's final decision.

"I think the country would accept President's decision on military needs and I hope he sends us a message outlining a fully rounded program," Cooper said. "If the funds needed are so large that we can't balance the budget, then security must come first."

Eisenhower has made it clear he wants a balanced budget in the year beginning July 1.

## Wedding Vows Are Read In California

The marriage of Miss Mary Frances Leasure, daughter of Mr. and Mrs. Leon Leasure of Santa Barbara, California, to Mr. Thomas King Atkins, also of Santa Barbara, son of the late Mr. and Mrs. Earl Atkins of Washington C. H., took place in the Congregational Church in Santa Barbara.

Rev. Robert Warren, pastor of the church, officiated at the double ring ceremony, and a reception was held later at the home of the bride's parents.

Wearing a white ballerina length gown of French lace, buttoned down the front, with a high neckline, long pointed sleeves and a circular skirt, the bride was given in marriage by her father.

Her short veil of nylon net was held in place with a headband of net covered with tiny white flowers, and she carried a white Bible topped with a white orchid.

The maid of honor, Miss Joanne Leasure, a sister of the bride, wore a beige net and velvet gown and carried a bouquet of yellow roses.

Mr. Vernon Atkins, brother of the

bridegroom, "was best man and Jaffrey Harris, organist, played the traditional wedding music, also accompanying Mr. Paul Leasure, who sang, "I Love You Truly."

The bride's mother was wearing a navy blue dress with white and gold trim, black accessories and her corsage was red roses. She was assisted at the reception by her mother-in-law, Mrs. H. L. Leasure.

For their wedding trip to Lake Tahoe and San Francisco, the bride wore a navy blue suit with red accessories and a white orchid corsage, and upon their return they will reside at 237 La Marina Street, in Santa Barbara.

The bride, a former Ohioan, attended school at Vigo and Landerderry, and graduated from Southwestern High School at Richmondale in Ross County.

Mr. Atkins, a veteran of the U. S. Navy, attended the Washington C. H. schools, and the University of California, and Santa Barbara College for two years.

## OES Officers Share Honors At Lovely Event

Mrs. Hubert Ferneau, worthy Matron of Royal Chapter Eastern Star and Mrs. Lucy Panzau, Deputy Grand Matron, of Ohio, also a member of the Chapter, shared honors at a birthday party honoring their birthday anniversaries which fell on March 14.

Other officers of the chapter were hostesses and the group assembled at the home of Mrs. Ferneau and entered singing "Happy Birthday."

A covered dish dinner supplied by the guests was served from one long table centered with two birthday cakes each bearing the inscription "Happy Birthday Jane and Lou."

Following a most enjoyable dinner hour, Mrs. Charles Hurr, presented each honored guest with a beautiful gift.

Euchre and bridge games were enjoyable and at the close of the evening the honor guests were wished many happy returns of the day.

Those participating in the pleasant event were: Mr. and Mrs. Paul Mohr, Mr. and Mrs. Eldon Kirk, Mr. and Mrs. Raymond Stephens, Mr. and Mrs. Paul Roney, Mr. and Mrs. Walter Heath, Mr. and Mrs. Charles Hurr, Mr. and Mrs. Marvin Thornburg, Mr. and Mrs. Melbourne Flee, Mr. and Mrs. Leonard Dellinger, Miss Jeanette Haver, Miss Ethel Stewardson, Mrs. W. E. Klever, Miss Minnie Graves, and Mr. Hubert Ferneau.

## Sorority Holds Open Meeting

Beta Sigma Phi Sorority met at the home of Mrs. Tom Haynie for an open meeting, with Mrs. Frank Hook as hostess, with sixteen members and nine guests present.

The brief business session was conducted by the president, Mrs. Richard Snyder and included the reports of all standing committees.

The program was in charge of Mrs. Jane Himmler, who presented Mrs. Victor Bandy, who gave the history of the chapter from the date of its organization, March 9, 1948, until the present date, Mrs. Herbert Glass, in a detailed outline, presented "Beta Sigma Phi" to the members, giving the number of chapters and members comprising the organization.

Mrs. Ray Jennings conducted the cultural program, under the title, "Nature As Compared To People," in which she said "each day starts as a rainbow majestic," and compared the stern pride of mountains with individuals, illustrating the comparison with the snowy capped mountains in Wyoming, Cumberland Falls, Yellowstone Park and the Bad Lands, with colored slides.

Mrs. Charles Pfersick also added interest to the program with movies taken in Africa by her husband during World War II.

A St. Patrick's theme was carried out in the serving of refreshments, and a yellow rose, the sorority flower, was presented to the guests, Mrs. William Williams, Mrs. Ance Kirkpatrick, Jr., Mrs. Ross Crim, Mrs. Jack Kellough, Mrs. Elmer Haymaker, Mrs. John Lafferty, Mrs. John Richards, Mrs. L. C. Walker and Mrs. Robert Poppen.

Assisting Mrs. Hook as hostesses were Mrs. Richard Snyder, Mrs. Jane Himmler, Mrs. Robert Olinger, Mrs. Eddie Sexton and Mrs. Lee Alderman.

## Birthday Week Of Campfire Girls Observed

## Alice Taggart WCTU Meets

Members of the Alice Taggart WCTU met in regular session in the Jeffersonville Methodist Church.

The president, Mrs. Charles Seibert, called the meeting to order and the singing of a hymn was followed with prayer.

The regular reports were given and approved and Mrs. O. L. Wiseman, legislative chairman, gave her report.

The program was in charge of Mrs. Carroll Ritenour, who read Scripture from Corinthians, led in prayer, gave a talk on "Total Abstinence—A Christian Ideal," and reviewed a portion of the subject, "Then and Now," from the study book, which was followed with a lengthy discussion.

A playlet, "The Light Line Union," was given by Mrs. Seibert, Mrs. Elmer Moots and Mrs. O. L. Wiseman.

The meeting was closed with the WCTU benediction and the hostess Mrs. Ritenour, was assisted by Mrs. Charles Bush in the serving of dainty refreshments.

## Miss Mongold Hostess At Class Meeting

Miss Eleanor Mongold was hostess to members of the Anti Can't Class of Staunton Church for the regular meeting.

The opening hymn, "Jesus Saves," was followed with devotions led by Miss Norma Brill, who read Scripture from John, and the hymn, "Love Lifted Me" and the praying of the Lord's Prayer, led by Mrs. Kermit VanDyke.

The secretary, Miss Nancy Gilmore, and treasurer, Miss Mongold, gave their reports and the apron patch project was selected instead of a bake sale to raise money for the treasury.

The class sang, "Blessed Assurance," and one new member, Carl Gilmore, was welcomed into the class.

The meeting closed with the praying of the Lord's Prayer.

The April meeting will be held at the home of Donald Shields.

## Service Guild Members Hold Regular Meeting

Twenty-five members of the Wesleyan Service Guild attended the March meeting held in Fellowship Hall at Grace Methodist Church, and in the absence of the president, Miss Frances White, the vice president, Mrs. Doris Diffendal, conducted the meeting and introduced the music chairman, Miss Katie Bower.

She presented Mr. John Swengel who entertained the group with two musical selections, accompanied by Miss Joe Davis, "Myself When Young," from "In A Persian Garden," by Lehmann, and then played a sousaphone solo, "His Majesty, The Tuba," by Robert Dowling.

Miss Marian Christopher, chairman of spiritual life, as devotional leader, read an article, "Cleaning the Attic," which likened to cleaning the ridding of our lives of prejudice, fears, problems, discouragements and finding tenderness, faith and prayer, quoting briefly from the Scriptures and closing with prayer.

During the business meeting Miss Norma Dodd announced that Mrs. Marie Williams would succeed her as district secretary, her term to begin in July, and Mrs. John Boone announced that the Guild had presented the church with two racks for the dishwasher. Mrs. Diffendal announced the nominating committee named by Miss White as Miss Lillie Henkle, chairman, Mrs. O. T. Winter, Mrs. James Miller and Miss Katie Bower.

Miss Gretchen Darlington reviewed briefly the Africa study, stressing the primitive education

# WHS Latin Classes Plan Program

CLAD IN THEIR AUTHENTIC Roman costumes are five WHS students (photo above) who will take part in the program to be presented Friday in the high school auditorium by the Latin classes of WHS under the direction of Mrs. A. D. Grillo. In first row (left to right) are Mickey Milstead as Caesar, Sally Reiff as Cleopatra and Jim Newland as Marc Anthony. In back row (left to right) are Dick Tracey and Dick Waters as the captains of Caesar's army. (Record-Herald photo)

Through the efforts of Mrs. A. D. Grillo and her freshman and sophomore Latin classes of Washington C. H. High School, the days of ancient Rome are being revived somewhat this week at WHS.

Friday night, the classes will present for the general public, an hour and a half film on the life of Julius Caesar. The film will be shown in the high school auditorium and there will be no admission charged. Mrs. Grillo is also extending an invitation to the county schools, especially to their Latin classes.

A two-year course in Latin is given in WHS and during this time the students also learn about the early Roman history. They have undertaken a number of projects which they will exhibit later to portray

the life of the Romans.

Before the film is shown Friday night, the Latin students, dressed as early Romans, will be introduced, to provide the setting for life back in 45 B. C.

The vestal virgins will be Laurann Beard, Portia Brownell, Gloria Hooks, Sally Howard, Martha Hughes and Marilyn Hughes. Caesar will be portrayed by Mickey Milstead and Kay Brown will act

as his wife. The two attendants to Caesar's wife will be Catherine Wyllie and Betty Martindale. Jim Newland will act as Mark Antony and Sally Reiff as Cleopatra. The slaves will be students from the Latin I class. Sparacus (leader of the slaves) will be Chuck Litz. Charles Cox will be Brutus; Don Clay, Pompeii and Joe Sever, Crasus. The soothsayer will be Edna Peters. Hugh Lentz will be the an-

## Judge Urges Compromise In Lias Case

WASHINGTON (AP)—The month-long tax court hearing on a \$2,850,000 claim against race track operator William G. "Big Bill" Lias was at an end today.

And if lawyers for Lias and the government comply with the suggestion of the judge who heard the case they'll reach a compromise settlement. If not, they have until Nov. 30 to complete the filing of briefs in the case.

Judge Clarence P. LeMire said

nounce and introduce the Romans. Dick Waters and Dick Tracey, both former Latin students, will act as the captains of Caesar's army. All of the students will be dressed in the authentic Roman costumes, the boys in their togas and the girls in their stolas.

This is just one of the many projects being carried on this year by the Latin classes.

at the conclusion of the hearing Monday that the case "should have been settled before it ever came to this court" and urged the attorneys to strive for an adjustment that would be equitable to everyone concerned.

He said he considered it possible that the lawyers, by conferring with accountants and others, might be better able to dispose of the case than he.

Lias, 400-pound owner of Wheeling Downs, W. Va., race track and a onetime bootlegger and gambler, has offered to settle for \$1,200,000 in order to end the long litigation and get back the properties the government has placed in receivership.

The Internal Revenue Bureau and Justice Department have not announced a decision on the offer.

## Joint Return In Divorce OK'd

WASHINGTON (AP)—The U. S. Tax Court has ruled that a joint income tax return may be filed by a couple having an interlocutory divorce decree which has not become final.

The decision, handed down yesterday, involved Marriner S. Eccles, former chairman of the Federal Reserve Board, who is now a banker in Utah. Eccles filed a joint return with Maysie Y. Eccles, his divorced wife, for the year 1949. Their preliminary divorce decree was granted Aug. 2 of that year, to become final after six months.

The Internal Revenue Bureau maintained Eccles had no right to file a joint return, and billed him for the \$5,479 for which he would have been additionally liable as a divorced man.

The Tax Court ruled against the bureau's position.

## 2 Million U. S. Crimes Recorded

WASHINGTON (AP)—FBI Director J. Edgar Hoover reported today more than two million major crimes were committed in the United States in 1952. It was the first time such a total has been reached since accurate statistics have been kept, he said.

Reports submitted to the bureau by law enforcement agencies throughout the country put the total at 2,036,510. This is 154,350 above the 1951 figure.

Hoover said every category of major crime showed an increase.

# Honorable Mention Given Jack Rettig For All-Ohio Team

One of the WHS Lion cagers was given honorable mention in the Associated Press selection of the class A All-Ohio high school basketball team this season.

He is Jack Rettig, the aggressive high-scorer of the WHS outfit that won 17 and lost only 4 games during the past season and took the South Central Ohio League championship.

Jack tallied 300 points (not including the district tournament game) on 113 field goals and 74 free throws. He missed the game at Greenfield and played only short times in two others because of illness.

The sharpshooting forward had the best average of the squad in making 113 out of 225 shots from the field for 44 percent accuracy. A one-handed punch shot from a jump about 10 feet out was his favorite. He had 66 percent accuracy from the foul line in hitting 74 out of 112 free throws.

Bob Alkire was the second high scorer on the team with 248 and Wayne Van Meter was third with 211. Van Meter headed the list of free throwers with 105 out of 185 tosses.

**FIVE YOUNGSTERS** from among the 5,000 playing for 262 class A schools were picked for the All-state first team. Five more were picked for the second team and five for the third.

Sebring's Eddie Jordan, a six-foot all-around star who averaged 26.1 for the campaign, was voted the No. 1 player by the state's coaches, sports writers and officials and won the first team captaincy.

With Jordan at forward is Leonard Dawson, of the Alliance Team, who also won a first-string quarter-back berth in football. He's the first Class A player to make both the basketball and football All-Ohio varsity in years.

Middletown's lanky Cliff Hafer, only one of the first five who will appear in the state tourney at Cincinnati, grabbed the center berth, and the guard positions went to Vern Woods of Dayton Stivers and Jim Schafer of Mansfield.

Dayton Stivers, knocked out of tourney play by Middletown for the Gem City Club's only defeat at the hands of an Ohio team, was the lone school to place two players among the first 15. Dale Fairchild of Stivers won a second-string forward berth alongside Steve Gwin of Cleveland East Tech.

Dick Horky of Newark, another state tourney entrant, was named a second team guard, as was Jim

# Big Ted Due For Big Year With Redlegs

CLEARWATER (AP) — This may be the year Big Ted Kluszewski of Cincinnati will blossom out as one of major league baseball's greatest hitters. At least, all signs point in that direction.

Kluszewski pounded out two homers and a single, good for five runs, here Tuesday as Cincinnati defeated the Philadelphia Phillies, 7-6.

The 28-year-old Redleg first baseman finished third among National League batters in 1952 with a .320 average. But veteran observers, among them Cincinnati Manager Rogers Hornsby, believe Ted can do a lot better.

"Potentially, Kluszewski is a great hitter," Hornsby said earlier this spring. "If he just would apply himself a little more he might lead the league."

Up to now, there's no doubt that Ted has been bearing down. The former Indiana University football star hit his home runs Tuesday in the first and third innings, each time with Gus Bell on base. In the fifth, his safety delivered Grady Hatton.

# Cincy TV Station To Carry Game

CINCINNATI (AP) — The Middletown-Cleveland St. Ignatius game in the semifinals of the annual state high school basketball tournament here Friday night will be televised.

Alex Sinclair, manager of Cincinnati Gardens, said WKRC-TV (Cincinnati) has arranged to handle the game, which will begin at 8:30 p. m. No other games of the tourney through Saturday, will be televised. Middletown is the Class A defending champion.

# Home Town Due To Fete Oliver

RIO GRANDE (AP) — New Oliver, whose Rio Grande County basketball team made national headlines with an undefeated season, is to be honored by his home town.

Byesville, a Guernsey County village, will hold "New Oliver Day" Friday. A banquet will be held in the Byesville high school auditorium for the peppery little coach who led Rio Grande to 39 straight victories.

# NCAA Ruling Is Aimed At Bevo's Mark

KANSAS CITY (AP) — The NCAA Rules Committee meets today to act on a basketball coaches' recommendation which would strip Clarence (Bevo) Francis of his all-time scoring record.

In a move admittedly aimed at Rio Grande (Ohio) College sensation who averaged half a hundred points a game, the National Association of basketball Coaches Tuesday urged the NCAA to:

Restrict all official team and individual records to games involving four-year, degree-giving colleges and make the action retroactive, probably covering only the 1952-53 season.

A committee, headed by Howard Hobson of Yale, said the idea is to eliminate what it called "ridiculous" scoring records such as that hung up this year by Francis.

Bevo was credited with 1954 points for 39 games, a 50.1 average, but 27 of the games were against junior colleges, seminaries and service teams which wouldn't count under the new regulation.

It's a virtual certainty that the

# Perini Sure League To OK Braves Shift

ST. PETERSBURG, Fla. (AP)—The Boston-to-Milwaukee franchise shift hung in the balance today as the National League and American Association met to vote on the plan.

Owner Lou Perini was confident he would get approval to move his Braves into the minor league territory where he already operates a farm club.

"Somebody has to tell me why it isn't a good move," he said. "If they can show me it would be detrimental to baseball, I'll go along. But I won't be put off by any talk about this being too late to move."

"I'm apologetic about the timing. I'm sorry about it. But this is an entirely different proposition than Bill Veck moving from St. Louis to Baltimore. I own both franchises. There is no chance of legal entanglements."

"I'm sick of pounding my head against a stone wall. This is no sudden thing. I've known for two

years it was inevitable. Boston simply is not a two-club city."

Perini said he had contacted all National League owners, except Phil Wrigley of Chicago and John Galbreath of Pittsburgh. He said he had found no opposition.

"I have not stirred up any animosities," he said. "The owners are honorable men. I am sure they will make their decision on the basis of what is good for baseball. After I tell them my story I am confident they will say OK."

# Cartier's Holding Irritates British

LONDON (AP)—America's Walter Cartier did the holding Tuesday night in his short and unhappy mid-dleweight fight with Randy Turpin but today the British were holding, holding up his purse money pending an inquiry into the fiasco which ended in disqualification.

The bout was stopped in the second round when Referee Tommy Little ordered Cartier out of the ring. Cartier, a New Yorker, had been warned at least seven times to stop pinning Turpin's arms with the insides of his elbows.

## Three Sets of Jurors Drawn Here Wednesday

No Reporting Date  
Fixed for April  
Grand Jury

The jury commission Wednesday morning drew three sets of jurors for duty during the April term of court.

In addition to the grand jurors, the commission drew from the jury wheel a petit jury for the common pleas court, and jurors for the municipal court.

The drawing of names took place in the board of elections office with Judge H. M. Rankin presiding. This eliminated necessity of carrying Judge Rankin to the third floor where the drawing usually takes place in the office of Clerk of Courts, Mrs. Dorothy West.

Present in addition to Judge Rankin was Harold Craig, of the jury commission; Clerk of Courts Mrs. West and Sheriff Orland Hays.

Following are the jurors drawn: Howard S. Grimm, Madison Township; C. G. Parrett, Paint Township; Edward Glaze, Marion Township; Dorcas Holdren, Wayne Township; Roy Elliott, Third Ward; Dewey Sheldler, First Ward; Ephie Frost, Green Township; Clifford Young, Third Ward; Paul E. Pennington, Second Ward; Stan Hagerty, Second Ward; Mina R. Morris, Second Ward; Harry H. Allen, Paint Township; Dorothy McDonald, Concord Township; Howard Fogle, First Ward; Margaret Clay, First Ward.

**PETIT JURY**  
Franklin Coil, Green Township; Nathaniel Tway, Perry Township; Virginia Zimmerman, Second Ward; Harry Silcott, Perry Township; Laverne Morgan, Union Township; Emerald Sollars, Wayne Township; Hortense Scott, Paint Township; Robert Armstrong, Jefferson Township; Gertrude Keiter, Perry Township; John E. Rhoads, Second Ward.

**MUNICIPAL COURT**  
Hazel Moyer, Union; Judith Robinson, Union; Worley Melvin, Union; Janice Snapp, Madison; Raymond I. Scott, Paint; Leland Dorn, Madison; Dorothy E. Carman, Paint; H. C. Fortier, Third Ward; Louise Trimmer, Marion Township; Charles F. Pensyl, Third Ward; Loudonna Haymaker, Union; Jean Nisley, Concord; Evelyn Christopher, Fourth Ward; Ralph R. Penn, Fourth Ward; Louise Rankin, Jasper; Vernon Whitmore, First Ward; Harry Rife, Green; James Perrill, Union; Miss Jeannette Haver, First Ward; Artie Campbell, Union.

Ethelyn M. James, Second Ward; Beth Wilson, Union; E. Wayne Shobe, Madison; Stanley Dray, First Ward; Rose A. Cleland, Paint; Cirdea McCafferty, Fourth Ward; Gladys D. Hays, Madison; Grove Davis, Perry; Leo M. Fisher, Third Ward; Martha Slagle, Jasper; Inez Dray, Marion; Guy Shipley, Marion; Virginia Jane Lange, Union; Lawson Stuckey, Union; Lon Chattin, Paint; Katherine Hyer, First Ward; Loren Noble, Union; Harold Hewitt, Wayne; Kathryn Reno, Third Ward; O. ## Books Passed Out To Keen Teen Club

A food sale was planned to be held in the near future by the Keen Teen 4-H Club when the members meet with their advisor, Mrs. Ralph Barger, at the home of Janet Howard, Tuesday evening.

Marcia Fletcher was welcomed by the members as their new assistant advisor.

The meeting was opened with the 4-H pledge followed with the usual reports.

Project books were passed out and discussed. It was announced that each girl is to have her pattern chosen by the next meeting.

The committee appointed for the food sale to make posters is made

up of Louise Stewart, Janet Howard and Patty Litz.

Refreshments were served by the hostess assisted by her mother. Recreation was held after the meeting.

Louise Stewart will have the next meeting at her home on March 24. She will give a demonstration on measuring ingredients.

## Bloomington PTO To Plan for Banquet

Plans for the annual basketball banquet and Achievement Night are to be polished off by the Bloomington Parent-Teacher Organization at its regular meeting Thursday night.

The meeting, which is to start at 8 P. M. in the high school auditorium, is to be conducted by Mrs. Milbourne Barney, the PTO president.

The basketball banquet, at which the boys who carried the red and white of their school to a one-third share in the county title and the championship of the county tournament, are to be honored.

Bloomington is to be the host for Achievement Night this year.

A program, described as "very interesting," has been arranged for the Thursday night meeting. The committee is made up of Coach Frank Truitt, Mrs. G. B. Vance, Mrs. Nellie Mossbarger and William Baughn.

Mr. and Mrs. Orville Mickie heads the committee which planned the social and is to follow the business meeting and program.

## Final Tributes Paid To Mrs. Conaway

Largely attended funeral services were held for Mrs. Mary Ann Conaway at P. M. Tuesday at the Clarkburg Methodist Church.

Rev. Thomas W. Taylor officiated. He offered prayer, read the Scripture and an obituary and delivered the sermon.

Coyt Cleary and Pryor Timmons sang the two hymns, "The Last Mile of the Way," and "In The Sweet Bye and Bye." They were accompanied by Miss Mary McGhee at the piano.

The many floral tributes were cared for by the pallbearers, who were Tom Conaway, William Conaway, George Conaway, Robert Conaway, toward Fellenstein and Thomas Southward.

Interment was in the Brown Chapel Cemetery.

## Mrs. Rosa A. Neal Passes Away Here

Mrs. Rosa Anna Neal, 83, died at the home of her daughter, Mrs. Ross Hunter, 425 Columbus Avenue, Wednesday at 1:45 A. M., following two weeks of critical illness.

Her husband, Frank, died 16 years ago.

Surviving Mrs. Neal are: three daughters, Mrs. Dorothy Wimer, Mrs. Frances Hunter, city, and Mrs. Gertrude Bennett, near Buena Vista; also six grandchildren and nine great-grandchildren.

Funeral services will be held at the Parrett Funeral Home, Friday at 2 P. M. and burial will be made in the Washington C. H. Cemetery.

Rev. Harold J. Braden will conduct the services.

Friends may call at the funeral home at any time.

## Whipper Snippers Plan Skate Party

Plans for a skating party were made at the last meeting of the Jeff Whipper Snippers 4-H Club at the Jeffersonville High School.

Guests may be invited. Laying and cutting of patterns was discussed and it was announced that demonstrations are to be given by each girl.

All of the usual reports were given and roll call was answered with the members naming a cheerleader.

The next meeting will be held March 30. Hostesses will be Pauline Davis and Anna Mae Coe.

Advisors and members present at the last meeting were Mrs. Alfred Davis, Mrs. Richard Smith, Martha Christopherson, Wetha Han-nah, Joan Little, Beverly Baughn, Karma Kay Knox, Shelby Long, Pauline Davis, Anna Mae Coe, Sharon Warnock, Loretta Stanley and Linda McClaskie. Johnny Davis was included as a guest.

Refreshments were served by Martha Christopherson and Beverly Baughn.

## Program Planned By Junior Leaders

The year's program was planned for the Junior Leadership 4-H Club of Fayette County when the members met Tuesday night at the Farm Bureau auditorium.

Requirements for membership in the club were discussed and ways of improving and making it a more interesting and organized club were discussed.

All of the officers were present: Esther Marting, president; Julia Persinger, secretary; Joyce Pettit, news reporter and Bee Van Zant and Harold Cummings, recreation leaders.

The refreshment committee was appointed for the next meeting and is Harold Cummings and Bea Van Zant.

The next meeting will be March 30 at 8 P. M. in the Farm Bureau auditorium.

Albert Cobb, associate county agent, and Mrs. Wayne Woodyard, home demonstration agent, are the advisors.

## TB Clinic Held Here Tuesday

49 Cases Examined  
By Dr. Wetterauer

A total of 49 cases, both adults and children, were examined at the tuberculosis clinic held at the Fayette County Health Department offices Tuesday afternoon. Some school children were among those examined.

All of these were individuals referred to the clinic by physicians of this county because of certain symptoms which indicated a suspicion of tuberculosis.

Each one was given a thorough fluoroscopic examination by Dr. James E. Wetterauer, medical director of the Tuberculosis Sanatorium at Chillicothe. He will make a written report on each case within a few days and return all reports to the health department.

here. In turn this department will send a copy to physicians in each case referred by them, with Dr. Wetterauer's recommendations in such cases which seem to require further examination or treatment. Nurses at the health department assisted Dr. Wetterauer in the examinations.
